What the Railroad Rate Agitation May Finally Lead To.

BUGABOO OF SOCIALISM IS HOISTED

Railroad Managers Declare Rate Schedules Cannot He Fixed by Other Than Experienced Railroad Men.

The bugaboo of socialism and fraternalism has been raised and made to shake its matted locks, with a view to scaring away those who might come around to course to pursue in handling the freight years and gray beards declaring that the whole tumbling down. They tell you by Mr. Bryan in the campaigns of 1900 or of railroads, "You may charge so much, corporations, but no more." Yet all agree that there are conditions with respect to the common carriers of the country that should be corrected.

There is no difference of opinion in Washington on the question that some- when the finest suites of rooms at the thing should be done. tion of how it should be brought about, road agents and attorneys, and during the Every railroad man who talks about the past few weeks, when special salaried railroad rate agitation turns toward the pleaders for the roads have appeared one present Interstate Commerce commission. He points out that its personnel is made

ars. Winslow's SOOTHING SYRUP TWENTY-FIVE CENTS A BOTTLE.

up of men who got their places, not because they distinguished themselves in the railroad world, but because they had good tive to save them from retirement to prihad a property that had taken years for its development and many millions of dollars, with your executive ability and management and private enterprise and private thrift, had brought to its present value, would you want to see the government ruthlessly step in and take it out of your hands and manage it through the personnel of the present Interstate Comnerce commission?"

Then they go ahead and tell you ho the changing of the smallest and least the administration view as to the right important of the rate schedules makes it necessary to change all of them, and how rate regulation question. It's not an un- the whole system of rates is like a house common thing to hear men of mature of cards, the displacing of one bringing freight rate control is the first step in also that their rate experts get in salaries the direction of railroad confiscation, and sums equal almost to the combined salathat nothing that has been put forward ries of the members of the Interstate Commerce commission. They listen impatiently 1896 could be more socialistic than the to the suggestion that the government can present proposals to have a government pay as much and can command as much board or commission say to the owners in the way of talent and ability as private

Railroads Not Inactive.

There is a strong railroad side of the present agitation. This was most evident in Washington during the past winter It's only the ques- principal hotels were occupied by the raftafter the other and were examined by senators friendly to the interests they represent. All this has had an effect, too It has, from present indications, defeated all possibility of passage of any such measure as went through the house of representatives last session and bore the name of the Esch-Townsend bill. Railroad. interests already congratulate themselves on this fact. Yet there is no doubting that those who have cried aloud against socialism have been pushed backward from

their position and have lost ground, and

will be in the direction of paternalism.

Last year the congress created a bureau that the common carriers observe the propolitical backing, or did have, until it of corporations and gave it means and au- hibitions of law against the giving of redropped away, and there was a disposi- thority by which it could probe into the tion on the part of the then chief execu- private business operations of big corporations engaged in interstate commerce, exvate life. Then Mr. Railroader says: cept railroads. The beef corporation and next busy and intensely interesting session "Now, look here, old man, frankly, if you the oll corporation have recently been investigated under this authority.

of the legislation to be evolved is just such principle that the union of states should be inquisitorial powers as the bureau of cor- a loose confederation.
